Exams 1/2/3/4:

◊ Make-up exams will not be possible without prior arrangements—and the reason for missing an exam must be compelling and perhaps more importantly, documented. Exams taken after the scheduled date will be more difficult.
◊ Exams will resemble homework problems and problems done in class.
◊ TI-89’s or higher (or equivalent) will NOT be allowed during exams.
◊ ***The lowest exam 1/2/3/4 score will be dropped IF (homework average) × (percentage of submitted assignments) > 50%

Final Exam:

◊ Will be cumulative.

General Philosophy/Attendance:

◊ College prepares you for a professional position.
◊ In the working world, you are responsible for your career and you are accountable for your decisions. For example, class attendance is expected (just as you are expected to go to work), but not required.
